# Exciting Things Are Happening at Comet Park!

**Our new Concession Stand is coming Spring 2013... then Bleachers with a Press Box to follow... But we can't do it without you!**

The Comet Booster Club, a volunteer group of parents, works diligently throughout the year to support all of the athletic teams at CHS. In addition to selling Comet clothing and spirit items and concessions at home games to supplement the athletic budget for all of the teams and promoting the Comet Spirit – we have been spearheading a major fundraising campaign to renovate Comet Park, which has a beautiful turf field.

**Over the past several years, we have raised funds to:**

- Purchase and install a new scoreboard at the stadium
- Purchase and install a new baseball scoreboard
- Purchase 2 new ticket booths at each stadium entrance
- Purchase and install a new softball scoreboard
- Purchase and install 3 new flagpoles for the American flag, State flag and a custom made Comet flag

We are proud to announce that we are breaking ground on our new stunning concession stand, *complete with restrooms!* Soon after, and with your help, we will add Phase 1 of our new impressive bleachers, including a press box with some individual chair seating. Once all phases are complete, it will increase our seating capacity from 500 to 2,000 spectators. Our Comet home football games have been drawing crowds close to 2,000 fans and with upgraded facilities, Catonsville High can host tournaments and playoff games at the county and regional levels. Hosting these types of events will be quite beneficial to the entire Catonsville business community.

We need your help to complete the Park for the benefit of our athletes and the entire Catonsville Community! We can't fund this renovation thru concessions and clothing sales alone and no funding comes from the Baltimore County Board of Education. This is a great way for the business community to show support to their patrons! Remember that Comet Park is home to high school athletes as well as many Catonsville Rec and Parks programs. Bottom line: exciting things are happening at Catonsville's Comet Park, yet not possible without your ongoing sponsorship.

## **It's a "Catonsville Thing"**

This entire project is a community effort and in fact, most of the contractors working on the new concession stand are Catonsville High Alumni, and all of them are "locals". We will display a sign honoring their support because they provided their work or services at little to no profit.

**The Booster Club would also like to thank Delegate Jimmy Malone, Senator Ed Kasemeyer, Delegate Steve DeBoy, Delegate Adrienne Jones, Baltimore County Executive Kevin Kamenetz, and Councilman Tom Quirk,**
